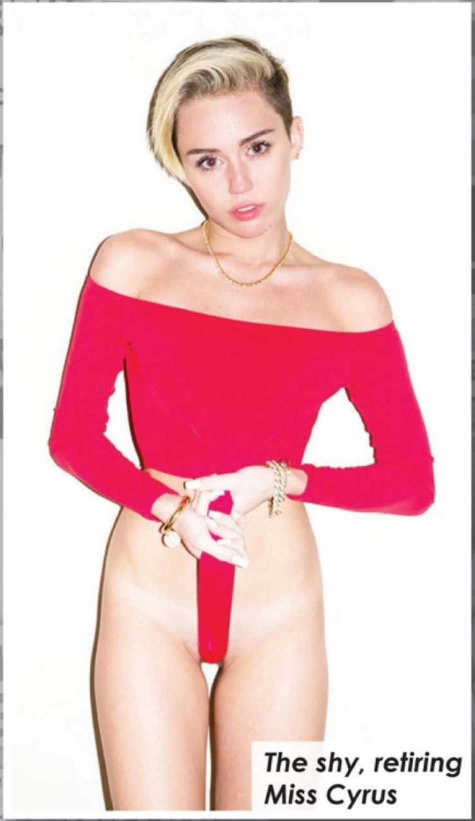
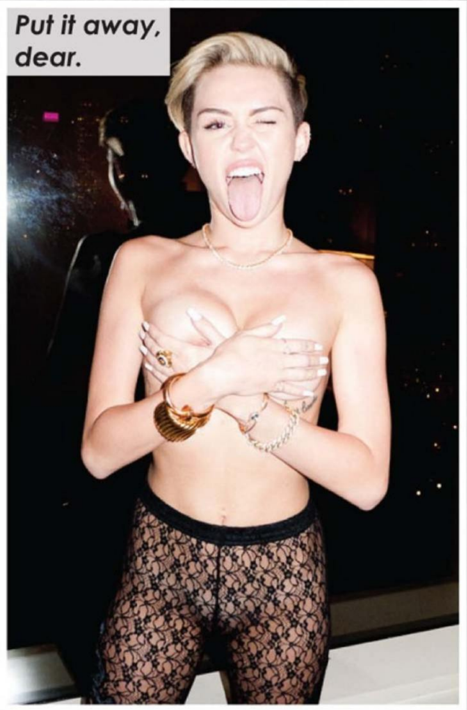
CYRUS VIRUS!

We apologise, dear readers, if you guys are all sick and tired of Miley Cyrus. Yes, her music is rubbish and that twerking and tongue thing she keeps doing are all bloody annoying. But we're sorry, we really would. Some more pictures of her taken by Terry Richardson have emerged, and we can't help but want to shag her. In this order – mouth, bum, mouth, bum, fanny, mouth. And maybe bum again. We'd leave her with an achy, breaky arse and then twerk off all over face. In the most respectful manner possible…

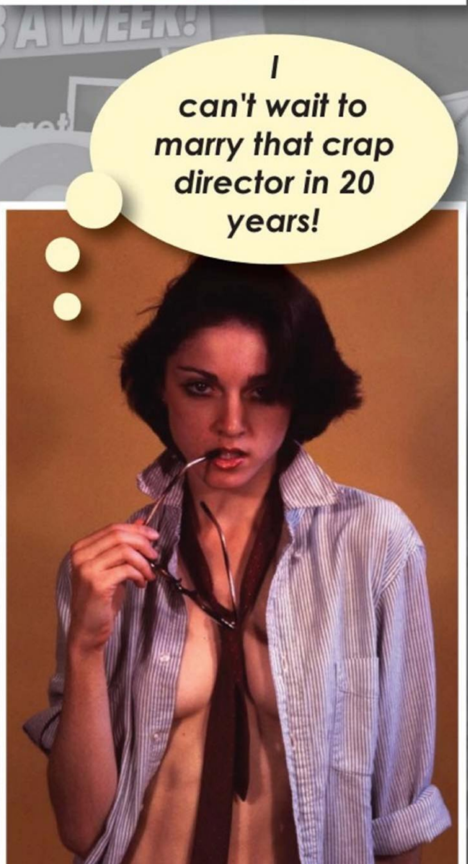


The shy, retiring Miss Cyrus

Madonna: material girl.



Put it away, dear.



I can't wait to marry that crap director in 20 years!

MADONNA'S MUFF!

Madonna has hardly been shy about her nude past. She'd barely broken the charts back in the '80s when arty shots of her emerged, taken for a prominent men's magazine. She embraced this even further with her book *Sex*, which is strangely sexless, but is ideal if you want to see the over-the-hill pop star doing rude things with Vanilla Ice. And who doesn't? And now some new nudes of her have emerged, again taken from those early sessions. They're a bit lame, but there's no denying those perky tits, and muff lovers will rejoice at the sight of her George W. She might talk a lot of Kabbollocks these days, but this blast from the past is going straight in the wank bank…

It's not me, honest!

KING FOR A DAY!

What with the internets and what have you, chances are that if you've ever made a porn film, someone is going to find it. That's what happened to Miss Delaware Teen USA Melissa King, who went from pageant winner to penis wanker when she starred in an amateur porno. Her mistake was to try and brazen it out, telling reporters that it wasn't her in the clip – "absolutely not". The fact that it looked like her and her on-camera interview talks about beauty pageants went against her. And then a tape surfaced of her reading a legal release on camera and the gig was up. To be honest, pageants have only got a certain shelf life, Melissa, while porn is for ever…

VIRGIN ON THE RIDICULOUS!

We've brought you news before the various people out there auctioning their virginities for various reasons, and you can draw your own conclusions about mankind from the fact that Brazilian student Catarina Migliorini was offered $780,000 for hers while student Alex Stepanov was only bid $2,600. And that was after turning down $3000 from a bloke. Stepanov claims he was doing it to help combat his social anxiety. But our absolute favourite detail in this shabby story? Stepanov had hopes of wooing Migliorini himself and learned Spanish so he could whisper sweet nothings in her native language. Except they speak Portuguese in Brazil. D'oh!

The Worst Names for Vagina

Pussy, cunt, snatch and twat are all words for vagina that men and women alike can put up with, but there are some that should never be uttered. Ever. Here are 10 other names for vagina. Note that the food related ones definitely sound the worst.

2) **Cum Dump**
3) **Hairy Axe Wound**
4) **Love Tunnel**
5) **Clunge**
6) **Meat Sleeve**
7) **Badly Wrapped Kebab**

Most Expensive World Records

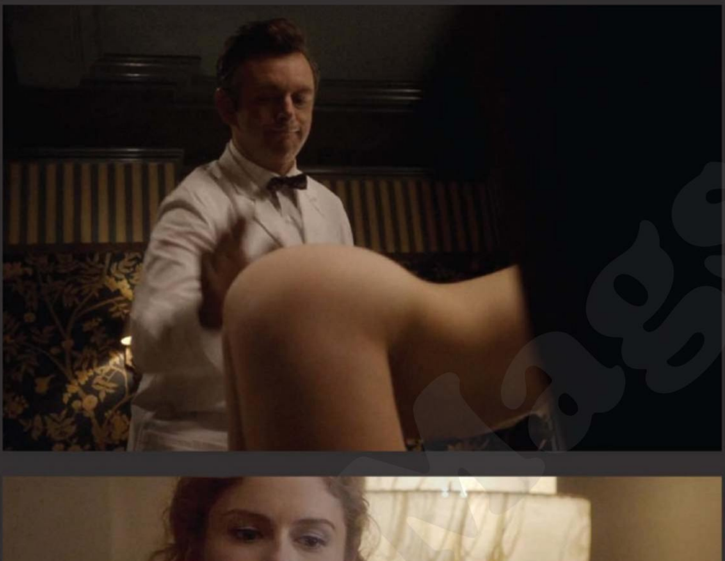
Each of the following items has got an entry in the Guinness Book Of World Records for being downright expensive...

- **Toy Soldier** – The first hand-crafted G.I Joe prototype was sold at auction in 2003 for a hefty £124,309.
- **Pair of Trainers** – Fashion label Ju$t Another Rich Kid dipped five pairs of high-top Nike Dunks in 18 carat gold for a show in 2007. Each pair went on to sell for £2,702.
- **Sheep** – Apparently the most expensive sold for £231,000 and was a Texel tup, Devronvale Perfection, which would be used for breeding. That is one expensive sheep shag!
- **Burger** – Naturally it's going to be found in New York. The Le Burger Extravagant sells for £186.52 and is made from white truffle butter-infused Japanese Wagyu beef, topped with black truffle and caviar.
- **Car** – Only 36 Ferrari 250 GTs were ever made and the highest known price paid for one was £12,000,000 bought by Chris Evans in 2010.

Masters at JERK

A series about sex researchers Masters & Johnson on US cable TV was always promising boobs – and *Masters Of Sex* truly delivers. It has great dramatic chops too – think of it as *Mad Men* with tits. And with the gorgeous Lizzy Caplan as one of the co-leads, we can think of absolutely no reasons to not watch this...

Masters of Sex



PAIGE

Paige is blissfully upfront about her boob job. "I don't care who knows they're fake," she laughs. "They were rubbish and tiny and droopy before, now they're pert and sexy and suckable. Here, have a feel, what do you think?"

We think you're a very special lady, Paige...

BRIGETTE

Mags.net

We seriously can't find fault with Brigette. She's gorgeous, sexy, flirtatious, keeps a nice house and by all accounts is an amazing cook. We also have it on good authority that she can deepthroat a 10" dick and takes it up the bum. So, what's not to like? Well, she could put a 'd' in her name, like it's supposed to have. For shame!

SUMMERS SCHOOL!

From glamour model to porn star, Terri Summers was a star in Europe and the US. We catch up with her as she gets used to life on the other side of the camera…

Hey beautiful stranger, long time no see! We've missed you! What have you been up to for the last few years?
Summers: Oh, I've been up to so much! I have been working mostly on the other side of the camera – filming and photography – and, of course, I became a mum!

You have just released your official directorial debut, *Teasers*, through Your Choice. How did you end up behind the camera?
Summers: Well, over the last few years of my modelling career, I was already shooting girls for my website and for certain magazines. I also helped Andrea Moranty with directing and producing his movie, *Ibiza Fever*, which got really good reviews. But by then I had already decided that I was going to do more on the photography side, as I wasn't too excited about filming. Then again, throughout my years as a model on set, I was always curious how things worked! Teasers was such good fun to shoot, as I went all over Europe with Mark Newhard and Jay Riots, who are both the best guys ever to work with! I've never laughed so much on sets as I did with them!

Did you find directing or performing easier?
Summers: They are both very different. As a performer you have responsibilities like looking good, being on time and giving it your best. But as a director, your responsibilities include having to make sure everyone does their job professionally and arrives on time, you have to sort out payment, IDs and paperwork, as well as your job on set.

Will you be directing any more movies?
Summers: I'm not sure, because unfortunately there aren't a lot of performers in Holland, and they don't seem to take it as seriously as the actresses did years ago. Now you can go to Czech or the States, but I'm not sure if I can add something to the biz, then. My plan is to go to the UK first – I love the UK biz!

Who would be in your ultimate fantasy porno cast, to direct?
Summers: Wow! Umm… In all honesty, I am not very up to date with the latest performers! I would say Bobbi Eden, Leona Queen, David Perry, Michelle Moist and Mike Angelo. With Jay Riots on Camera and Mark Newhard for lights and photography.

When you look back over your porn career, what are your fondest memories?
Summers: I think my fondest memories include the people I met, the travelling and the parties!

What is your funniest memory?
Summers: I was on a shoot in Mexico, and we had driven 2 hours to get to a deserted beach. When we arrived, there was a caravan there with Dutch people in it, offering me Dutch coffee and sweets!

How random! What was the most bizarre shoot you've ever had?
Summers: It was a shoot in the mud, it was -10c, and they kept throwing buckets of water on us, which they got from outside, where it was snowing! Oh, and there was one where I was a human sushi plate!

Did you have any favourite porn stars to work with?
Summers: Definitely Bobbi Eden and Andrea Moranty – we're still great friends!

Did you prefer working with men or women and why?
Summers: I preferred with men as it was easier, but with women it just looks better!

Is there anyone you never worked with that could tempt you back onto the screen?
Summers: There's not really anyone that I didn't work with, but directors Andrew Blake or Michael Ninn could tempt me, for example.

Was there anything you wished you had done when you were still performing?
Summers: Saving!

What is the best thing about the porn industry?
Summers: The fun you have on the shoots and how everyone involved are trying to make something that is both sexy and cool.

What is the worst?
Summers: How people take themselves way

too seriously, and do everything they can to persuade you to do more than you really want to do. Lots of things seem normal when you are in the porn biz, but when you take a step back you think, "hmm, maybe it wasn't the best choice I made in my life to shoot so-and-so-scene".

Looking back, did porn affect your personal life or cramp your lifestyle in any way?
Summers: Very much so! When people know you were, or are, a porn star, that's how they treat you, and that's not always with respect – they seem to think you are easy. Also, as a photographer it's best not to mention that I also shoot porn, as then you get no chance whatsoever. It's very much looked down on, and as much as I think, "it's a job, get over yourself", it's something to keep in mind. You can't change everybody's opinions overnight, and I am not in the position to lose work over it. I must admit, I still have a double life, as when I don't shoot porn, I am the regular working mum, who shoots fashion and lifestyle stuff, and has tea ready when my kid comes home.

What do you miss about being a porn star?
Summers: I miss the attention and I miss my body!

When and why did you decide to give up performing?
Summers: When I got pregnant.

Was it difficult to quit doing porn?
Summers: It was, because I loved the job and somehow you get used to the money!

Have people's attitudes towards you changed since you quit the business?
Summers: Within the porn industry they definitely have, but out of porn, well, not many people know or would ever even think I was involved in porn at all!

What's the best thing you've taken with you from your time in the adult biz?
Summers: One word – experience!

Are you still friends with anyone from your time in the industry?
Summers: Yes, for sure! Like I said, Bobbi Eden and Andrea Moranty are the closest, although I was still in touch for a long time with Nadia Spinks, but eventually lost contact. Then for shoots, I still talk to people every now and then, and, of course, I also keep in touch through Facebook, with you guys, the people from Hustler or Holly Randall, for example.

You live in Holland – do you get back to the UK very often?
Summers: Not so much anymore, but I am planning a trip!

Ooh, let us know when, it would be great to see you again! Tell us about your website *Terrisummers.com* – do you still model for it?
Summers: Well I am still trying to get it back up again – I haven't done anything for the past year and a half. Everything new that I shoot goes up on ***myshwing.com***, but hopefully soon I'll have it all up on ***terrisummers.com***, too. Although I don't really model anymore personally, my plan is to shoot a few sets this year of my own natural breasts, especially for the site!

We look forward to that! You have some of the top names in the XXX biz on your website – do you really shoot some of the scenes yourself?
Summers: Although there are some shoots up on the site that I didn't shoot personally, most of them I do shoot myself, yes.

And tell us about Shwing Studios?
Summers: Shwing Studios is where I work with my business partner Mark Newhard. We scout and then shoot models – he does

more of the tech and social stuff and I do the more creative side of things. It works very well! Also, I work in the fashion and lifestyle industry, but I can't really name them as I try to keep those two worlds separate.

We can totally appreciate that, say no more! What are your plans for the future?
Summers: My plans are to shoot a lot more, to move back to Spain this year, to finally get my driving licence *(18 years of trying to achieve something is very wrong!)* and also to get back on the webcam.

As a huge name yourself, do you have any advice for anyone wanting to get into the adult industry?
Summers: Well I used to say to take it easy, make a name for yourself and then take it a step further, but these days the talent comes and goes before you can say their name! So now I would just say, have fun, think of the consequences of what you're doing with later work, study something and save your money.

Wise words, Terri! I found an old interview that you did, in which you said, "10 years from now, I will be the best photographer you know, do something in real estate, and have my own house by the beach here in Ibiza... where I will have lots and lots of sex." How much of that have you accomplished?
Summers: Well, I had my house by the beach but sold it, so now I am going back to buy something again. Real estate – not yet, but I will go into it after I buy my own flat again. Lots and lots of sex… Well, I need to work on getting any at all at the moment! The photographer thing I am working on; I just did a huge fashion campaign, which was awesome and I felt amazing!

Good for you! Is there a way for fans *(or potential future stars!)* to get in touch with you?
Summers: Yes, at ***twitter/terrisummersibz***, my blog at ***shwingstudios.nl*** and hopefully soon on webcam, but I am still looking for one I want to go on at present.

FAKING it! STAR of the MONTH...

Hannah bra-bearer

Okay, I'm gonna assume *Adult Sport* readers know who I am, right? If you guys know your porn like I think you do, you'll know I've made a lot of movies over the last couple of years, and my name alone on the boxcover can make it shift a lot of units. I'm not being big-headed, but it's a fact. I have a lot of fans and they seem to follow me wherever I go. I guess it's got something to do with my big titties, or maybe my pretty face, but I guess it's also got something to do with the way I fuck on film – I really give it all I've got, and the fans can tell. And so can my co-stars – I'm always having to hold back cos the guys I screw on film are so close to cumming while we go at it.

The thing about sex on film and sex in real life is that they're pretty different. When I'm fucking a guy in a porno I'm not just trying to bring him off – I'm trying to bring the guy watching at home off too. I have to make sure I look good in every angle, that my performance is horny enough, and I have to make it look like I'm enjoying screwing the guy even when sometimes (though not very often) I'm not. But sex in real life, well that's all about getting and giving pleasure, and my main problem is I don't get enough real life sex. Sure, I fuck all week long when I'm shooting movies, but when it's my free time, guys are just intimidated by me and by what I do for a living. They think they can't compare to a big-dicked stud, even though I tell them it's real sex that I want.

Here's an example. I was down in Florida at an adult movie convention and I was having a real dull time. None of the other girls were any fun, there was no live sex shows or anything, just me sitting around on a stall signing autographs for shy fans. I tried to chat to some of the better-looking ones, in the hope I might get some dick later that night, but they'd always just go red and shuffle away, not believing for a second that a porn star would be interested in them. Dummies.

Anyway, this one guy came up to my stand and said hello. He was in his thirties, kinda regular-looking, but not too shy, which was a real bonus. He was funny and friendly, and it turned out we had a lot in common – same taste in music, films, that kind of stuff. Even though I didn't think he was my type at first, I totally warmed to this guy – I'll call him Ben – and we had a really good time as he kept me company on my stand. I didn't notice the hours go by until it was time for me to leave and head back to my hotel. Ben wished me goodnight and that's when I grabbed him by the arm and asked him what the hell he thought he was doing.

"You must be tired," he said, "I figured you'd want to get some sleep." I told him to buck his ideas up and take me out for a drink. Ben didn't know where to look – here he was, thinking he was lucky enough to get to chat with his favourite porn babe, and here she was asking him for a drink. Well, he complied pretty quick and next thing you know, we were a few bourbons down the line and nuzzling each other in a quiet bar we found near the convention hall.

I was rubbing his hard-on through his jeans and whispering in his ear all the nasty things I was gonna do to him when we got back to my hotel room when Ben pulled back, and with a look of shame told me that he couldn't come back to my hotel – that his girlfriend was making him dinner at the place they lived in. Asshole! I was furious with him for not telling me he was taken – all those hours we talked and no mention of her. But then I thought about the dick in his jeans that I wanted inside me so bad, so I asked him how long we had till he had to leave. "Twenty minutes," he said.

Three minutes later we were in the cubicle of the bar's toilets. It was real quiet there so we knew we wouldn't get disturbed. We

squeezed in and I sat on the seat and pulled his erect dick out of his pants. It sprang into my face and I took it into my mouth at once, knowing we didn't have long. I sucked him hard and deep, grabbing his butt and pulling him into my mouth so I could deepthroat his cock. He moaned as I tugged the shaft of his dick, and with my free hand I opened my blouse and pulled my bra down so he could get a good look at my tits. As soon as he did, he yanked his cock out of my mouth and slid it between my breasts, telling me he'd always dreamed of doing that with me.

His cock was drenched in my spit, so it smoothly glided up and down my cleavage, and Ben told me about all the times he'd wanked while watching my movies. I was so turned on, I could feel the wetness in my pussy soak through into my panties. I let him fuck my tits a little while longer, then I stood up, pulled my panties to one side, and told Ben to fuck me.

He parted my pussy lips with his fingers and slowly inched his dick inside me, my back to the door of the cubicle. I lifted a foot onto the toilet seat and rocked my hips hard against him as he quickened the pace of his thrusts into my cunt. He buried his face in my cleavage as he rammed in and out of me, his hand reaching behind me to cup my ass while we fucked. It was magical – I didn't have to worry about where the cameras were, about whether my make-up was smeared, about whether the director was happy with my performance. I realised then that I hadn't had non-porn sex for almost a

WorldMags

year, and I loved it. I bucked my hips and came all over Ben's cock, screaming as I did so. I think he was surprised that I'd cum before he had, but it had been so long since I'd done it for real, it just rocked through me without any warning.

Then I could see he was at his limit too. I had a feeling he'd wanna cum on my tits, so I pulled his dick out of me and sat back on the toilet seat, cupping them for him. He didn't need asking twice – within seconds my sun-tanned breasts were sprayed with thick, salty sperm. He fired streams of it over them and I rubbed the sticky goo into my skin and licked it from my fingers so he could see how happy he was making me. Yeah, I know, that's porno sex but having a guy cum over me is part of what sex is all about, as far as I'm concerned.

So, just a few moments later, still coated with his sperm, I had to say goodbye to Ben. He helped clean me up and then we left the toilets, and got a pretty funny look from the barman as we did so. Ben went home to his girlfriend, I went back to my hotel, and I masturbated alone on my bed for the next hour, remembering what I'd just done. And even though this sounds like a brief encounter story, I made sure I got his Facebook details, cos next time I'm in Florida, Ben's gonna have to think of a good excuse to explain to his girlfriend why he's out all night, cos next time I want it for hours!

Lizzy
CAPLAN

We're going Lizzy Caplan crazy this issue. We've loved her since the late, lamented *Party Down* – one of our favourite comedies ever. She then flashed her bits in *True Blood*, but that's nothing compared to her horny turn in *Masters Of Sex*. See pages 6 or 7 for more, if you can tear yourself away from these shots...

NATALIE BANUS

Adult Sport trawls the wank banks to celebrate our formative fuck-fancies...

When Natalia Banus (also sometimes called Natalie Jay) made her topless debut in 1987, she was seen by many fans as the natural successor to Samantha Fox – a naturally big-boobed (40F, allegedly) Brit with a winning smile. She'd actually appeared in *The Sport* aged 15 in a swimsuit, but posed topless for the first time on her 16th birthday. She was an instant smash, and went on to grace most of the tabloids, as well as big boob top shelf mags and our very own *Mayfair* (we highly recommend Volume 25, number 12.). Also an aspiring singer who went to stage school, at one point she hooked up with Stoke metal band Direct Action, and later appeared in hip-hop music videos and in bit parts in *Baywatch Nights* after emigrating to California. But it was *The Sport* that made her, and *Adult Sport* that still celebrates her amazing rack…

Time for a blast from the past: When Madchen played Shelly Johnson in *Twin Peaks*, we fell instantly in love. HERE'S JOHNNY!

Condom revelations that will blow your mind (or should that be load?) *by Rose Crompton*

The world of condoms can be a complex one: Durex, Trojan, Skins, Mates, latex, polyisoprene, XL, thin feel, extra close, dotted, lubricated, flared or form fitted. If you're thinking, 'What the fuck?' then fear ye not. We noticed that shopping for happy hats isn't simple anymore, but variety should be the spice of your sex life, so Adult Sport have put together this nifty guide that covers a bit of everything condom related (pun intended). Oh and if you're thinking "Pah! Condoms!" then stick around. You might just discover why you don't like them...

SIZE

Finding the right size rubber is half the battle. Joe Nelson, condom revolutionary and founder of *TheyFit.com*, which sells custom size condoms, believes the best condom tip any man can get is: find the right size. "Things that fit better, feel better. Imagine getting a pair of designer, hand-made shoes, crafted from the finest leather and cost £500. All that would count for zip if they're the wrong size for your feet. Same deal with condoms and penises, but times 1000 because dicks are really sensitive," says Joe.

Always check the back of the box to find out the width and length. Most off the shelf, one size fits all style condoms range from 49mm to 58mm width and 7 to 9 inches in length, which works for some guys, but not all. If the rubber is too big it will fall off. Too tight and it may hamper circulation so you lose sensation. It's no wonder a bad fit puts men off using rain hats and if you've tried them all and still have issues, then try one of the 95 sizes Joe's site stocks! "Things that fit better, feel better, so the better a condom fits, the more sensation you feel during sex," he says.

SHAPE

Different shapes can maximise your pleasure in different ways. Nearly all johnnies come with a teat at the end for your jizz, but how they fit around the bell end and rest of the shaft can vary. For example there are the standard straight-shaped ones that are the same width all the way down and there are some advantages to this as Alix from Skins Condoms explains: "Straight condoms create the feeling of a second skin as they fit the shaft of a penis continually all the way along, without flaring at any point. The straightness of condoms, like Skins, also helps the lubricant to migrate further down the johnny, creating a much more comfortable and enjoyable feel." So now you know! These are great if your dick is the same

width from top to bottom, but not many are, which is why a flared fit might offer more movement and be preferred by some.

There have been some pretty big developments in terms of condom shape recently. There is the One Pleasure Plus condom, which has extra baggy room at the tip and internal ridges for his pleasure. Even more innovative is the Origami Male Condom that has an accordion-folded design so it's easier to pull on, rather than roll on. The expansion and contraction of the condom works with the motion of the penis as it thrusts, so offers a more realistic sensation during sex. Unfortunately these aren't available to buy yet as they're still being trialled.

TEXTURE

When it comes to textured condoms it really is all about "her pleasure". Apart from the aforementioned One Pleasure Plus, guys actually get a pretty naff deal texturally speaking. However, there is still a lot of fun to be had from watching her get off on the extra sensations.

Many companies will bring out several textured versions of condoms, positioning the ribs or dots along different parts of the condom's shaft. One example is Trojan, who have their Intense design that have ribs at the tip and base and Ultra Ribbed with grooves along the central section. Play around with different brands to get different sensations. For a really unique feel there are One Tantric Condoms, which have tattoo-style sheaths.

GET IT ON

One of the biggest excuses for couples not using rubbers is that they're just not sexy. Bollocks to that. We asked condom industry pros, porn stars and your every day lad and lass for their tips on how rubbers can enhance and not hinder the magic...

"Leave them lying about the house so when the other half gets home they know exactly what you've got in mind," says adult model Tiffany Naylor (***@TiffanyNaylorxx***)

"Try different materials, like LifeStyles' SKYN, which is made from polyisoprene rather than rubber latex. It's more pliable and sensitive, so is quick and simple to roll on and has just the right amount of pre-lube," suggests Ian, founder and editor of **CondomMonologues.com**

"Keep condoms close to the bed and have a variety to hand, because you never know what type she might want to try," recommends Jimmy from London.

"Put the condom on as part of foreplay and both partners should be involved in strapping on," says Lara, also founder and editor of **CondomMonologues.com**. *"Have one pinch the tip to prevent air from getting trapped, while the other rolls the condom down the shaft. Be sexy with it. This way condoms are incorporated into touch and foreplay and you can both confirm it's been put on properly,"* she says.

"I like ones with a flavour; not for tasting, but because they don't smell of latex so much," says Hayley from Leicester.

Julie DELPY

Charming Parisian Miss Delpy has been doing the topless thing ever since 1987's *La Passion Beatrice*, but viewers of this year's *Before Midnight* will be delighted to discover that age will not wither her. She's still as cute and perky as ever, in her mid 40s. Our wives had better be watching, that's all we're saying...

Available From

Forgive us the rather crude headline for this article. But have you tried punning on *Fashionable Fuckers* for any length of time? It's tricky. And, anyway, we're sure you're more interested in what the horny girls and guys of Harmony have been getting up to rather than how much trouble we had thinking up a snappy headline. With that in mind…

Normally when we go on set with Harmony there are a bunch of British girls we can cosy up to for a chat – even if it's something as banal as bemoaning the weather together. Well, no such luck this time. But, then again, the Euro babes have a fine time showing us up by actually speaking perfect English. One of our favourite Euro girls, and a long-time Harmony muse too, is Henessy, and we're lucky to witness her in two scenes.

Scarlett Revell isn't messing about when it comes to the anal action, and we get to see Henessy get her back doors kicked in by veteran stud Tony De Sergio, before returning on a separate day to share Iain's thick old member with Marika Hase.

It takes a certain elasticity of the tightest hole to accommodate such cocks, and Henessy gets plenty of assistance from new Asian babe Marika, who busies herself by sucking on Iain's balls and then licking his dick clean every time it comes out of Henessy's bum. We're guessing she has a nice tasting bum, but weren't invited to try it. If we had been, we'd maybe not have wanted to taste it via Iain's dick, but directly. Oh well. Either way, these two sluts certainly deserved the dousing they got via his divining rod at the end of a torrid scene that had the girls' make-up streaming down their faces to mingle with the man mess. The fashion may be high-end but, happily, the fucking is low down and dirty.

Please come to our world cup. We promise you will not get shot by a drug gang in the favelas. Honest...
ORDEM E PROGRESSO

NUTS ABOUT BRAZILIANS

Adult Sport casts its net wider than ever to bring you the finest screen sorts from all over the world. This month we go to the hosts of the next World Cup, known for its wild beaches, women in bikinis and gun toting children…

ALICE BRAGA

It wasn't her debut, but Alice Braga first came to our attention in 2002's brilliant *City of God*, even if she kept her favelas well wrapped up. Born in Sao Paulo in 1983 into a theatrical family (you'll find her Aunt, Sonia on these pages as well!), Alice first proved she had something to Braga about (sorry!) in 2005's *Lower City* where she showed us her lower titty and plenty of her top ones too. More nudity followed in 2006's *Only God Knows*, and she showed us bits of her parts in her bit part in the harrowing *Blindness* (2008). When it comes to clocking Alice's Brazilians bits, blindness might be the worst affliction possible…

MORENA BACCARIN

Born in Rio de Janeiro in 1974, 34-year-old Morena will be best known to TV viewers as Jessica Brody, the wife of soldier turned captive turned terrorist in the sometimes excellent but increasingly bonkers *Homeland*. And, happily, she was prepared to welcome hubby home and give him some of what he'd been missing by flashing her maracas almost as soon as he'd showered the sand off his schlong. She also had a role in the now cancelled remake of *V*, but didn't show the aliens her foo-foo, but wonderfully she's totally starkers in 2009's otherwise harrowing *Death In Love*.

DEBORAH SECCO

Another raunchy babe from Rio, Deborah isn't much known outside of her native country, where blokes get to watch her in a series of telenovelas such as *Suava Veneno* and *Lacos de Familia*. Nope, us neither. She married a footballer who was capped 3 times for Brazil, and posed nude for Brazilian *Playboy* twice. But where do you get to see the goods? In 2011's *Bruna Surfistinha*, that's where, and while it's unlikely to get shown on Channel 5 any time soon, it's pretty much The *Diary of a Brazilian Call Girl*. Although, unlike Billie Piper in the UK equivalent, Deborah gets her boobs out.

SONIA BRAGA

The second member of the Braga family to feature here in *World of Sort*, Sonia is perhaps a bit better known, what with having been nominated for an Emmy, a Golden Globe, being in *Alias* and *Sex and the City* and starring in high profile movies such as *Kiss of the Spider Woman* and, erm, *From Dusk Till Dawn 3*. She's also peppered her career with topless turns, from 1977's *Dona Flor and her Two Husbands* onwards. She bares her flange as Solange in 78's *Lady on the Bus* and that's before we've even touched her 80's output. And boy, we'd love to touch her '80s output...

STEPHANIE FANTAUZZI

Steph is a spicy one! Born in Brazil (Rio de Janeiro, to be precise), but half-Italian she was actually raised in Florida. She made her big screen debut while back visiting daddy in Brazil and, once back in the States, picked up roles in shows like *Death Valley* on MTV, *Big Time Rush* on Nickleodeon and the cheesy *Love That Girl*. But her profile – and our interest in her – rocketed when she got cast in a recurring role on the successful US adaptation of Britain's very own *Shameless*. Playing Estefania, a drug lord's daughter, she's in sex scenes galore. She's certainly gone straight into our sexual Fantauzzi's...

Jaime MURRAY

If we had to vote for the most annoying character in TV history, we might plump for *Dexter*'s Lila. But that doesn't stop us enjoying English rose Jaime Murray's frequent forays into TV nudity. *Spartacus*, *Defiance*, *Dexter*, this girl can't stop getting her waps out. Keep it up, Jaime, and we'll forgive you for Lila...

Where would be without lesbians? Obviously, we don't want too many, or the population will die out, but when it comes to easy watching, what could be be better than a couple of lipstick lesbians smearing said lipstick all over each other's pink parts? Lauryn and Trisha, you'll be glad to know, also like dick. Perfect...
